

# Star Struck Quilt Pattern

MYSTERY BLOCK OF THE MONTH SEW ALONG

58" BY 72" | 72" BY 96" (WITH BORDER)

## A LITTLE INTRO INFO

Welcome to the Star Struck quilt mystery block of the month sew a long! This pattern is a star block sampler quilt. There are two layout options for this quilt - a traditional sampler style layout and a modern, abstract layout which also includes chevron blocks. You will need to make two extra star blocks for the traditional layout. The pattern itself is beginner friendly, although if you are completely new to quilting, then please feel free to send me an email or text if something is confusing for you. There are 18 star blocks in the quilt and I will send out instructions for one or two star blocks each month. If you would like to make the modern/abstract quilt, you can make all the chevron blocks in one go, or space them out over the year. This sew-a-long is completely free for the year 2023! Feel free to share your progress on social media and share the sew a long with your friends. You can use the tag #starstruckquilt or #starstruckquilt when you share photos.

Wishing you all a wonderful and prosperous New Year. Happy Sewing!
